The vinyl record, digital download compilation, and all the individual singles tracks have International Standard Recording Codes registered per protocol of the Recording Industry Association of America (RIAA) and International Federation of the Phonographic Industry (IFPI). Global Trade Identification Numbers, Universal Product Codes and International/European Article Numbers (GTIN/UPC/EAN) are registered via GS1-US. American Society of Composers, Authors, and Publishers (ASCAP) registration is certified for writing and publishing. United States of America Library of Congress Copyright was certified and assigned as a sound recording for original lyrics and music on January 17, 2023 with retroactive efficacy as of November 24, 2022. Special thanks to my paid contractors: [Christopher Leath](#) (beats arranger and instrumentalist), [Terry Rorie](#) (expressive and poetic narration), [Emmanuel Archie](#) (sound engineering, graphics, and scoring) as well as [Quentin Scales](#) (logo assistance).
